Objective

An undergraduate chemistry student with hands-on lab experience and a particular interest in inorganic and physical chemistry. Proficient in conducting experiments, interpreting data, and maintaining organized and clear documentation. Committed to improving technical skills and contributing to structured research and laboratory work.

Education

National University of Sciences & Technology (NUST) <i>Bachelor of Science in Chemistry</i>	Islamabad, Pakistan Sept. 2023 – June 2027
KIPS College Islamabad <i>FSc Intermediate, Pre-Medical</i>	Islamabad, Pakistan Sept. 2019 – June 2021
Shining Star Public School <i>Matriculation, Science</i>	Rawalpindi, Pakistan Sept. 2015 – June 2019

Work Experience

Research Intern <i>PINSTECH Certification</i>	July 2025 – Aug. 2025 Islamabad, Pakistan
- Carried out advanced electrochemical and spectroscopic analysis including cyclic voltammetry, UV-Vis spectrophotometry, atomic absorption spectroscopy, high-performance liquid chromatography, gas chromatography, and gas chromatography mass spectrometry (GC-MS) - Gained knowledge for material characterization and developed and synthesized resin-based materials for electrochemical and catalytic uses	
Research Intern <i>CETQAP Certification</i>	July 2025 – Aug. 2025 Remote
- Introduced to quantum computing, quantum algorithms, and their applications through case studies and simulations - Acquired conceptual knowledge of quantum state representation, entanglement, and encoding quantum data relevant to computational chemistry	

Skills

Laboratory Techniques: Titrations, Chromatography, Nanoparticle Synthesis, Gravimetric & Salt Analysis
Instrumentation: Cyclic Voltammetry, UV-Vis Spectrophotometry, Atomic Absorption Spectroscopy, HPLC, GC, GC-MS
Software: Origin, ChemDraw, Excel, High Scorer, Photoshop, Illustrator

Social & Extracurricular

Deputy Director NLC, NUST Managed media and event photography for NLC
Deputy Director SSC, NUST Managed SSC events and media coordination
Executive Marketing NUST Robotics Club Assisted marketing and outreach for NRC
Community Outreach & Volunteering - Created a documentary focused on inflation and the well-being of the community as an outreach initiative - Proactively involved in food drives, tutoring initiatives, and health surveys in underprivileged communities
